

# Certificate of Data Erasure

Enterprise Data Erasure Compliance Document

ERASURE STATUS: PASS

## Device Information

|               |                        |
|---------------|------------------------|
| Serial Number | MN9BN8522118YCB3P      |
| Manufacturer  | SK                     |
| Model         | hynix SC401 SATA 256GB |
| Capacity      | 256GB                  |
| Device Type   | sata_ssd               |
| Form Factor   | M.2                    |

## System Information

|               |                         |
|---------------|-------------------------|
| System Serial | 34LGK13                 |
| Manufacturer  | Dell Inc                |
| Model         | Latitude 7490           |
| Chassis Type  | Laptop                  |
| Memory        | 16.0GB                  |
| Processor     | Core i5 8350U @ 1.70GHz |

## Erasure Details

|                    |                                              |
|--------------------|----------------------------------------------|
| Method             | NIST 800-88 rev1                             |
| Result             | Pass                                         |
| Grade              | N/A                                          |
| Health Score       | N/A                                          |
| Duration           | 0 hrs 0.2 min                                |
| Erasure Date       | 2026-05-07                                   |
| Software           | XERASwin                                     |
| Version            | 14.36.0                                      |
| Certification Hash | 39dc469a 88668c97 293d10da 354c66ab f053b8bd |
| Failure Reason     | N/A                                          |

This certificate confirms that the above device has been processed in accordance with the specified data erasure standard. The certification hash verifies the integrity of the erasure process.
