

# Certificate of Data Erasure

Enterprise Data Erasure Compliance Document

ERASURE STATUS: PASS

## Device Information

|               |                  |
|---------------|------------------|
| Serial Number | R52J90HYL1Z      |
| Manufacturer  | Samsung          |
| Model         | Galaxy Tab E 8.0 |
| Capacity      | 8 GB             |
| Device Type   | phone            |
| Form Factor   | N/A              |

## Erasure Details

|                    |                                         |
|--------------------|-----------------------------------------|
| Method             | British HMG Infosec Standard 5 Baseline |
| Result             | Pass                                    |
| Grade              | N/A                                     |
| Health Score       | N/A                                     |
| Duration           | 00:17:28                                |
| Erasure Date       | 2025-12-31 11:19:30                     |
| Software           | N/A                                     |
| Version            | N/A                                     |
| Certification Hash | N/A                                     |
| Failure Reason     | N/A                                     |

This certificate confirms that the above device has been processed in accordance with the specified data erasure standard. The certification hash verifies the integrity of the erasure process.
